## **NEWS & WEATHER COVERAGE**

*95.3 KDKD Today's New Hit and CLASSIC 1280 continue to provide the Golden Valley-Truman Lake area superior national, regional and local news and weather!*

At the top of almost every hour of every day...95.3 KDKD Listeners hear an updated live **FOX News radio**...covering National and International news and events.

### **Missourinet**

A couple of times per day weekdays The **Missouri Net** informs our listeners with updates on news from the state of Missouri.

KDKD AM has long been affiliated with the **Brownfield Network** and we continue to air agribusiness reports daily.

The Legend that is **PAUL HARVEY** has been a fixture at KDKD AM since the early 70's. Paul broadcasts on our stations at 8:00am, during KDKD News at Noon and again with the Rest of the Story during the 5pm news.

### **KDKD LOCAL NEWS/SKY TRACK/STORM TRACK WEATHER**

David Lee provides our listeners with up to the minute newscasts during the morning show, at Noon and again at 5pm. **SKY TRACK WEATHER** is always part of every hour...with a minimum of two weather forecasts per hour keeping our Listeners informed about how the weather may affect them.

**Weather is also very prominent on the home page at [www.mykdkd.com](http://www.mykdkd.com).**
